Waste Less ~ Recycle More **BUSINESS KUDOS!**

Open Tue-Fri 6-2 Sat 8-2
Sherri is looking for a source
for paper straws too!

Sherri & Mark want to give the community a place to stop, slow down and enjoy their nostalgic atmosphere. Drink a good cup of coffee and eat a pastry, served in washable cups and plates. For on the go, they provide paper based cups and bags, avoiding Styrofoam or plastic. They try to operate with less waste... like back in the old days.

KUDOS to The Restoration Shop...

A Coffee & Ice Cream Shop in
Junction City for leading by example!
Sherri and Mark Evans foster a

**BUSINESS OPERATIONS
POLICY TO REDUCE
WASTEFUL HABITS, REUSING &
RECYCLING WHAT THEY CAN!**

The coffee shop opened in December 2017, adding a retro ice cream shop in the spring. Restoration came from going back to the old methods of doing things... wanting to slow down. Sherri grinds her coffee beans, presses them and uses a percolator; using real ingredients and pure extracts for flavors. She composts her coffee grounds & serves everything in washable cups and plates or paper. No Styrofoam.

**They use the drop off by Kings Grand
Central, one of over 21 drop-off
sites around Perry County!**

PerCo Recycling Center is based in New Lexington, open 10am-2pm Monday-Friday for residents and businesses to drop off the following items which are accepted for recycling: cardboard, office paper, newspaper, magazines, aluminum cans, steel food cans, #1 & #2 plastics like pop bottles and milk jugs, clear & brown glass bottles and jars.

KUDOS to The Restoration Shop for doing what they can to divert unnecessary waste from the landfill!
