Community Foundation for Perry County Celebration

The Community Foundation for Perry County is dedicated to improving the quality of life for the Perry community, both now and for generations to come. Established in 2012 by past and present residents, the goal of CFPC is to establish permanent funds and resources to make a direct and lasting difference for Perry County. CFPC is an additional avenue of support for residents to give locally, ensuring Perry County resources benefit our community and citizens.

In celebration of this work, we will come together on Thursday, November 14th at our Foundation Dinner to highlight 2019 successes, and look forward to 2020.
