TO ALL APPLICANTS - (please read carefully)

Thank you for your interest in employment with the Perry County Board of Developmental Disabilities (PCBDD). The Board supports people with developmental disabilities to discover, pursue, and achieve what is important to them.

In completing your application, please be sure to provide as much detail as possible. Answer all questions thoroughly. Type or print clearly. Be sure your signature and the date appear on the last page of the application. Return the completed application to the Human Resources Department using the address above.

HIRING PROCESS

When completed applications are received by the Human Resources Department, they are reviewed and made available to the hiring supervisor in the component where appropriate openings exist. Because there are generally many more applicants than open positions, we cannot promise an interview for each applicant. Interviews will be scheduled based upon the applicant's qualifications (education, related experience, etc.), date of application, position openings, etc. Because there are occasions when similar openings exist in two or more components at the same time, it is possible that applicants may be contacted for more than one interview.

Following the initial interview, applicants may be recommended for an additional interview. Though such interviews are scheduled promptly, the total process may take several weeks. All applications will be kept on file for one year. If you are not hired, yet continue to have an interest in employment after a year, please submit another application.

CERTIFICATION

Some positions require certification. If you are applying for any of these positions, please complete the appropriate information on the application **and be sure to enclose a copy of your current certification.** If applicable, applicants who have attended college are requested to **submit official transcripts with the application.** Examples of certification are: Early Intervention and Service and Support Certification from the Ohio Department of Developmental Disabilities.

BACKGROUND CHECK AND DRUG SCREENING

A pre-employment criminal record background check and a drug and alcohol screening will be conducted for the final candidate(s) for open positions. This includes an Ohio Bureau of Criminal Identification and Investigation (BCII) and sometimes a Federal Bureau of Investigation (FBI) criminal records check and a 10 Panel Drug Screening by a laboratory selected by PCBDD. Employment shall be contingent up to sixty (60) calendar days upon successful completion of a criminal history background check completed by the Bureau of Criminal Investigation & Identification. Also, PCBDD shall complete registry checks and driver's abstract.

Pursuant to Ohio Administrative Code Section 5123:2-02, the Perry County Board of Developmental Disabilities is required to conduct background investigations for purposes of employment. Please note that per 5123:2-02, there are five tiers of disqualifying offenses with corresponding time periods that preclude an applicant from being employed with this agency. Therefore, all applicants under final consideration will be required to submit to a background check through the Bureau of Criminal Identification and Investigation and under some circumstances a Federal Bureau of Investigation criminal records check. For more information, please review OAC 5123:2-02. Your signature below verifies only that you understand our requirement to conduct background checks following job offers. Your signature also verifies that you further understand that all prospective employees must pass a 10 panel drug test prior to being hired.
