

Community Needs Assessment

We would like to create a project that addresses a person safety need in our community, with the need focused on traffic safety. We appreciate your input and ideas, as they will help us create an effective project.

What traffic safety issues need attention in our community? Circle one response per area, and let us know of any ideas or concerns that you have.

What role(s) do you have in our community? (Check all that apply.)

- | | | |
|---|--|---|
| <input type="checkbox"/> School administrator | <input type="checkbox"/> Parent | <input type="checkbox"/> Active citizen |
| <input type="checkbox"/> School leader | <input type="checkbox"/> Community leader | <input type="checkbox"/> Teacher |
| <input type="checkbox"/> Student | <input type="checkbox"/> Government official | <input type="checkbox"/> Other: _____ |
| <input type="checkbox"/> Clergy | <input type="checkbox"/> Business leader | |

Place a check in the box that you feel best matches the rating for each safety area. Then include concerns in the last column.

Safety Area	Needs Attention	Fine	Don't Know	Concerns
Drowsy Driving				
Seatbelt Use				
Distracted Driving				
Impaired Driving				
Careless Driving				
Traffic Safety Laws				
Drugged Driving				
Bicycle Safety				
Pedestrian Safety				
Recreational Vehicle Safety				
Other				

What is the best way local youth can work to promote traffic safety in our community? If you have any information about an organization we can partner with, please list it below:

Organization: _____

Contact Name: _____

Email: _____
