Dear Chamber Members,

It's time to play golf in Perry County again! **(Despite the COVID-19 virus!!)** You are invited to join the Perry County Chamber of Commerce at the White Tail Ridge Golf Course for our 28th Annual Shootout Golf Outing. As always, we appreciate your support of the Chamber as we move forward to both assist our membership and lead the economic future in Perry County.

Our membership is committed to improving the economic climate in Perry County, and our golf outings are an excellent method for you to provide the support we need! This annual golf outing is our single largest fund-raiser. We invite you to become a sponsor of this event. Please take a moment to review our sponsorship opportunities and consider how they can benefit both you and the Chamber.
