

## Welcome to \$martPath!

\$martPath is an engaging, interactive and easy-to-use way for teachers of grades K-8 to embed relevant and fun economic and financial education in their classrooms. Best of all, \$martPath is completely free!

Developed by leading practitioners working hand-in-hand with Ohio teachers, \$martPath provides simple, fun lessons that bring economic and financial education to life in your classroom. \$martPath units teach students

about personal financial responsibility (such as saving, prudent spending, and prioritizing needs and wants) through grade-appropriate, curriculum-aligned, interactive lessons.

Any teacher can sign up to use this great resource.

### All \$martPath units of study:

- Are relevant and deliver on Ohio Learning Standards outcomes

- Include embedded assessment so you can track and report on student progress

- Are fun, simple-to-run and quick so they fit into your teaching program

- Are high-quality, interactive and engaging
